**Our Friend: Steve Young. 1951-2005.**

It was a real shock to the Trapshooting community when Steve passed away suddenly in 2005. Not just because it was so unexpected, but because Steve had so many good friends and was so well liked and respected for his personality, friendship, accomplishments, and his efforts in support of gun clubs, state associations, and individuals within the sport. Steve loved sports and competing from when he was a young boy throughout his adult life. He loved playing softball, basketball, and bowling among others. When he returned to trapshooting, it became one of his passions and he became very good at it with many wins from shoots of all sizes. The crowd could be large or small and he would do his best and be a gracious winner or be happy for someone else if they came out on top. Steve's wins included many from State shoots, Zone shoots, and the Grand Pacific. One of his most treasured accomplishments was winning the Washington State Bank Handicap during the 1999 Grand Pacific at the Evergreen Gun Club. He fired the only 99 in a field of 479 shooters.

We would like to have displays of memories of the good times during Steve's life and we want you to join in. If you have a favorite memory (or several) of an event involving Steve, we ask that you share them with us. It can be long or short and you can write it up or just phone it in and we'll get it ready for display.

**Information on Program Purses and Options.**

First of all – new shooters please understand that **you do not have to enter any of these purses or options to shoot the event.** They are a gamble and add excitement to the game. MAKE SURE YOU UNDERSTAND HOW THEY WORK.

To help you with this, there will be an information packet that you can pick up when you register for the shoot. For information on Lewis Options, handicap purses, and 25 and 50 handicap options, refer to this hand-out. (For the Jackpot Option, the perpetuals and the Hall of Fame Lewis see the following in the program). You should understand what these options and purses are, how they work and how they are paid out. Also **please ask questions if you have them.** Very few shooters understood many of these things the first time they shot either. The Boise Gun Club wants you to have fun when you come and shoot with us. We don't want you entering something you didn't understand. (You can ask Kent Harris, or John Booth among others if you have questions).

## **Steve Young Jackpot Option.**

For this shoot there will be no special event on the handicap. Instead, the Steve Young Jackpot Option is being offered as an alternative for the more "adventurous" handicap shooters. The option will cost \$25 with all of the money going back to the shooters on that day. It will be paid 1 in 6 entries, high gun.

6 entries or less will pay:	100% high gun
7-12 entries will pay:	60%-40% high gun
13-18 entries will pay:	50%-30%-20% high gun
19 or more will pay:	30%-20%-30%-20% high gun

(this last pay-off spreads the money out a little bit more)

## **Steve Young Perpetual Purses**

These handicap perpetuals were donated by some of Steve's friends and will be used only at the Steve Young Memorial shoot each year.

Entry fee for this non-compulsory option is \$3 for each 50 (\$18) and the other \$2 of the \$20 entry will be added to the purse with the lowest total amount at the end of the shoot. Entry fees collected at this shoot will be added to the respective purses for the next Young family Memorial Shoot. Any two 25 straights win ONE-HALF of the respective purse. Each \$20 entry is eligible for one-half of any or all (i.e., 100 straight) of these perpetual purses. All ties divide respective monies.

## Idaho Hall of Fame Lewis Purse.

Both the PITA and ATA Idaho state associations strongly support the Idaho Trapshooting Hall of Fame. The Hall of Fame purses will be Lewis Class purses on the handicap events. ### **DONALD ROBERT YOUNG. 1926 – 2012.**

Don Young was truly an icon in Idaho trapshooting. His shooting accomplishments were many, and his contributions to the sport were too numerous to list. He was a state champion (1962 HOA), a member of the state All-Star team six times (98-99-01-02-03-04-05), and in 2006 he was inducted into the Idaho Trapshooting Hall of Fame. He attended (and won at) shoots all over the Northwest and was often accompanied by his son Steve or his wife Henrietta.

Don's list of wins was impressive, but his contributions to gun clubs and individuals were legendary. He was a life member of the Boise and Caldwell gun clubs and served as President of the Boise club. His support and help on many projects for these clubs over the years was vital to their success. He often provided materials, money, and labor and more if it was needed.

He also very quietly helped dozens of individuals become shooters in the sport he loved. Don especially liked to help young shooters get started or be able to continue to shoot and he never expected or wanted thanks from those he helped.

Because family was very important to Don, he took a long break from shooting in the 60's and 70's to raise a family and run a business (Don Young Construction and Supply). He loved sports, including baseball, bowling, golf, and trapshooting and was a happy spectator and supporter of all of his children and grandchildren's many sports activities over the years.

Don also believed in service to his community and was a life member of the Nampa Elks, Good Sams, and the Kuna Lions Club.

He served his country in the Army in World War II and was married to his wife Henrietta, who he dearly loved, for 58 years. Don had a life that was well lived and he left his mark, from the family he raised and the many buildings he built, to the dozens of people who were lucky enough to know him, respect him, and love him.

We honor you Don and we'll remember you. Here's to 100 straights and the Braves winning the World Series.

## HENRIETTA YOUNG. 2007

Henrietta was born and raised in Kuna, Idaho. She played baseball and basketball in High School and also was a cheerleader. She was very sports-oriented and this worked out well when she married Don Young in 1949. Don gave up the opportunity to play professionally for the Chicago Cubs in order to start a family and both Don and Henrietta spent a large part of their lives either participating in sports or supporting and watching their children and grandchildren take part in many activities. Don gave her clubs for golfing and her own gun to shoot trap as they traveled together all over the West.

She started working at a young age in a local grocery store, then spent about 15 years at a bank before joining Don and their sons in their family business. Don Young Construction and Supply built homes, churches, schools, banks, and other projects across the state until 2005.

Henrietta loved to cook and bake and was famous for her cookies, pies, and cakes. She also really enjoyed shopping with her daughter. Other favorite activities included bowling, playing cards, travelling to Lion's Club activities and conventions, and Kaveman Travelers Good Sam trips with her husband.

She often went with Don and Steve to trapshoots all over the West including the Grand Pacific in Washington several times.

Her husband, children, grandchildren, and great-grandchildren were very important to her and they were the loves of her life. She loved and encouraged family get-togethers and activities.

It is often said that "behind every good man is a good woman." The Young family is a great example of that. Much of what Don Young accomplished during his lifetime was made possible by the support, love, and loyalty that Henrietta gave him for 58 years.

If you were looking for a role model for a wife, a mother, or a grandmother, you would be hard pressed to find a better one than Henrietta Young.
